

Shine On Kingston! Program

January 14 – 16, 2022

In addition to encouraging the whole town to add lights and SHINE ON for the duration of the celebrations, the program includes:

1. In the District Hall, Agnes St: *January 12th – 19th*

- an Australian National Maritime Museum touring exhibition, *Remarkable Boats*.
- a display of excerpts from the Cape Jaffa Light station Logbooks, with transcriptions
- a display of drone photography images featuring the old lighthouse platform and lightkeepers' cottage ruins at Cape Jaffa
- a display of the Tempestry Project, with connections to historic moments in life of the Lighthouse
- an exhibition of images from Nicolas Baudin's 1802 expedition in this area

2. In the small space studio, Agnes St: *January 13th – 19th*

- exhibition of entries in the inaugural *Lighthouse Art Prize* (2D, 3D (sculpture) and Photography categories) - all with the LIGHTHOUSE theme.

3. In the Bay and on the Foreshore in front of the Lighthouse

- The Sailing Club regatta will be held on Saturday in front of the Lighthouse
- Display of Marine Rescue boats
- Sandcastle building and Treasure Hunt
- Adelaide Kite Flyers display – during the day and illuminated kites after dark.

4. At the Lighthouse

- Food: Lighthouse Keeper's Breakfast, Lighthouse Long Lunch, Lighthouse Keeper's BBQ
- Drinks: Local wines
- Costumed actors.
- Guest Speakers: - Ian Clifford, President, Lighthouses of Australia
 - Garry Searle, author of "First Order: Australia's Highway of Lighthouses"
 - Anne Daw, daughter of Verne McLaren
 - Sarah-Jane Lakshman, Australian Maritime Safety Authority (AMSA) rep.
 - Robert Mock, instrumental in the saving of the light station platform
 - Steve Saville, discoverer of the *Nyora* wreck
 - Graham Rayner, last lightkeeper at CJL
 - Mark Rothall and professional fishermen: rescues in recent times
- Other guests:
 - John Nicholson, author of "Cape Jaffa: its memorial to seafarers, fisherman, lightkeepers".
 - John Ibbotson, author of "Lighthouses of Australia".
- Tours of Lighthouse constantly.

- Dr Darren Peacock, CEO, NTSA, will emcee the Friday night dinner for lightkeeper descendants and special guests, as well as be in attendance on site during Saturday.
- Illumination of the Lighthouse – a spectacular nightly display, 15th-24th Jan.
- Music: Graham Hugo (Country) on stage in the evening, an acoustic guitarist playing inside Lighthouse, Ukulele group *Mosquito Plains Strummers*, Community choir singing sea shanties. Background music throughout the day.
- Kingston Community Theatre production based on the Lighthouse story.
- Night Tours every night from the 15th (first night the CJL light was exhibited) to the 24th (official opening of Lighthouse in 1872).

5. Kingston Museum, Cooke St

- exhibition of marine/fishing materials and relevant documents

6. Along Marine Parade, in the evening

- A Lantern parade from the jetty to the Lighthouse, led by bagpiper, concluding with a dramatic finish!

7. From the Lighthouse to Cape Jaffa: *January 16th*

- Charter trips to the platform
- Cottage ruins *possible guided walks to the ruins from Cape Jaffa*
